

# Advent PHOTO-A-DAY

## 25 INVITATIONS TO NOTICE GOD DAILY

For each day in Advent, we invite you to take a photo inspired by the word of the day. Post it on social media and tag us at #stjohnsbr and @stjohnsbr. Or you can use the daily word as a journaling process of noticing God. Don't worry if you miss a day or two - there's no failing this challenge. (And we know you don't need the extra pressure!) We just hope to provide a gift of added meaning to this special season.
