

STARTERS

Demolition	\$5,000-\$6,000
We are planning on doing the demo work ourselves to save on this expense.	
Permits / Insurance / Bond	\$4,000-\$5,000
Foundation/Concrete/Masonry	\$3,000-\$4,000
This includes cinder block and other masonry work on walls and floors.	

ENTREES

Cabinetry	\$35,000-\$38,000
All wood painted upper cabinets and one large full height storage cabinet.	
Flooring	\$15,000-\$17,000
Floor prep (shot blasting) and installation of new epoxy resin flooring able to withstand high traffic; easier to keep clean than tile.	
<i>A gift of \$30 will pay for one square foot of flooring.</i>	
Stainless Steel Counters & Shelves	\$40,000-\$45,000
All stainless steel lower countertops and shelving, cleaning capability aligns with commercial kitchen standards.	
<i>A gift of \$175 will pay for one square foot of counter/shelving.</i>	
Ceiling / Lighting	\$8,000-\$9,000
New drop ceiling with commercial grade tiles and LED lighting.	
Electrical	\$7,500-\$8,000
This includes power, the fire alarm system, etc.	
Mechanical	\$9,000-\$10,000
This includes plumbing, HVAC, hood controls, drains, etc.	

DESSERT & FINISHING TOUCHES

Dish Washing Machine	\$5,000-\$7,000
Commercial dish machine will clean a load in 60 seconds, making cleaning up after large events and meals in The Shepherd's Market more efficient.	
Ice Machine	\$6,000-\$7,000
Large capacity ice maker meets needs for churchwide functions.	
Warmer	\$3,000-\$4,000
Vertical warmer keeps food warm for receptions, potlucks, churchwide events and serving meals in The Shepherd's Market.	
Window Shades	\$3,000-\$4,000
New roll-up shades for pass-through openings by sink into the Family Life Center Shepherd's Market.	
Painting	\$7,000-\$9,000
Industrial grade paint to withstand commercial kitchen wear and tear.	

FOOD PANTRY SIDES

Ceiling / Lighting	\$9,000-\$11,000
Similar scope as kitchen: New drop ceiling with commercial grade tiles and LED lighting.	
Flooring	\$19,000-\$21,000
Similar scope as kitchen but more square feet of floor to prep and install: Floor prep (shot blasting) and installation of new epoxy resin flooring able to withstand high traffic; easier to keep clean than tile.	
<i>A gift of \$30 will pay for one square foot of flooring.</i>	
Painting	\$8,000-\$10,000
Similar scope as kitchen.
